As you aware that Ministry of Environment and Forests, GOI has notified the Bio-Medical wastes Management Rules, 2016 and e-waste Management Rules, 2016 which have superseded the earlier Rules of 1998 and 2011. It is becoming a growing problem due to complexity of methods involving in collection, transportation, treatment and disposal of BMW.

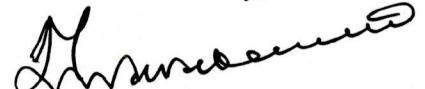

It is essential to look forward, to find appropriate scientific methods to resolve problems associated with the management of BMW and e-waste having best practices etc. by applying innovative management practices, advanced technologies that should ensure minimal impact while handling & disposing of Bio-Medical Waste / e-waste on environment.

With these broader objectives, Puducherry Pollution Control Committee is organizing One-day **awareness-cum-training Workshop on "Bio-Medical Waste and e-waste Management"** in Puducherry to emphasis the needs of their effective Management in U.T. of Puducherry as per schedule below, to benefit the hospitals / nursing homes who handle Bio-Medical Wastes.

Venue : Conference Hall of Dr.A.P.J. Abdul Kalam Science Centre,
Lawspet, Puducherry
Date : 8th July 2016
Time : 9.30 A.M. – 5.00 P.M.

Hence, it is requested to make it convenient to participate in the meeting and also requested to depute one or two of the officials dealing with the subject such as Managers, Nursing Superintendents, Nurses etc., from your medical college / hospital / Health care Establishments / Testing laboratories, etc and make the Workshop a grand success. Your kind Co-operation in this regard is highly appreciated. Experts from Central Pollution Control Board (CPCB), New Delhi & from M/s Toxic Links will be addressing the gathering. A line of confirmation please be sent to dwarak98@gmail.com

Yours faithfully,

(M. DWARAKANATH)
